VISA INFORMATION

Brazil adopts a policy of reciprocity regarding visas. This means that nationals of countries that require visas for Brazilian citizens will need a visa to travel to Brazil. According to the Brazilian law, Brazil must agree, on a reciprocal basis, to offer visa waiver to nationals of another country. Brazil has signed visa exemption agreements with about 90 countries.

Visit Visa

The visit visa will be issued to foreigners traveling to Brazil for staying up to 90 days without purposes of immigration or the exercise of paid activity (daily allowances, artistic paychecks, compensation or other travel expenses are allowed). Visit visas can be granted for those traveling for tourism, business, transit, artistic or sports activities, study, volunteer work, or to **attend to conferences, seminars or meetings**, among other purposes - provided there is no remuneration in Brazil and the stay does not exceed 90 days.

Electronic Visit Visa (eVisa)

The new system for granting electronic visas is available for nationals of **Australia, Canada, United States and Japan**. Nationals of these countries may apply for a Visit Visa and obtain it remotely, with no need to visit a Consulate, since there is no physical label. The eVisa must be applied for at the VFS Global website (the company which provides the service).

If the application is approved, the applicant will receive an e-mail with the visa copy, his data, visa data, QR Code to confirm the authenticity, and any warnings that may apply.

The holder of the electronic visit visa must present the printed authorization file or its electronic copy to the transport companies at the time of boarding, as well as to the Brazilian immigration authorities upon their entry into Brazil.
